8.40pm	<p>Christian Care Team – Intro to changes</p> <ul style="list-style-type: none"> Care is already happening – so please keep caring for those you’re already caring for. Christian care will still be a key function of small groups <p>Not everyone is in small groups, and sometimes there will be things that happen that require a broader group than a small group to be involved in care. We are creating a team to facilitate more intentional care generally across 5pm.</p> <p>We don’t know all the needs, so if you are aware of needs and it’s appropriate to get others involved, then please let us know. But also please respect confidentiality too.</p> <p>If you have ideas for how we can better care, then we’re happy to discuss this too. Please chat with me – noting that in the same way that we can’t expect Ken and Caroline to do all the care for us, we may not be able to do everything.</p>	Cathy 10 min
