

Week 1: Why and what is Christian Care?**7/8 February**

Key Idea:

Definition of Christian Care

Christian care is intentional and relational walking together in faith, hope and love to build each other up to maturity in Christ.

Aim is to present Christian care (sometimes known as pastoral care) as walking together as we grow to maturity in Christ, not just problem solving when something happen. It is to be proactive, not just reactive when something happens.

It is driven by the love God has shown to us, as we love God and reflect the way that God has loved us in our love for each other. It is not just leaders – our shepherds (Ken, Caroline, group leaders) who are responsible for Christian care, but all of us are responsible for Christian care – for “one-anothering” each other.

Week 2: Caring and being cared for – Christian Care that reciprocates 14/15 February

Key Idea: We are to “one-another” each other

Shepherd / Sheep – PEACE MODEL

Learn PEACE

- P **Praying** for and with one another
- E **Encouraging** one another in Bible reading, prayer and serving
- A Being **Available** and keeping in touch with one another
- C **Comforting** and encouraging one another in the tough times
- E Being a Christian **Example** to one another

This second week will be getting into the practical side - outlining PEACE as a model for caring and doing the listening exercise we talked about with Cheryl. Bible input would be about serving each other (Eph 2:10, Gal 5:13b, 6:2).
