

NEW TESTAMENT 3

Paul's Letters - Week 8

GENERAL OVERVIEW

The Church in Philippi is reminded of the marks of heavenly citizenship, reflecting on their and Paul's circumstances.

Ministry of the gospel continues in Asia through Paul's correspondence, praising the majesty of God's plans for the Church.

Before we begin...

What are the different ways that we express partnership with other believers?

How and why is it important that our view of partnership be local and global?

Christ and The Church

Philippians and Ephesians

Answer from both Epistles:

What attitudes and behaviours did Christ show on earth? How did God respond?

Why is important for Christians to follow Christ's example?

How should Christians manifest their citizenship of heaven?

How does the representation of the Church in these letters tell us about its nature and function?

Concluding

How is 'mystery' important in understanding the plan of God?

Given what we have seen today, how can the work of Christ help us to respond when we face temptation and opposition?
